Upon discovering the
existence of a parasite,
I pursued it

in search of
its primary host.

My investigation
led me from the knight's
blackhorn remains all the
way to His Royal Highness,
the King himself.

*The knight mentioned here was the King's childhood friend.

Sensing the opportunity
afforded by this investigation,

I have been biding my time,
waiting for the moment to strike...

But, I'm a vessel candidate?

That's the reason
she didn't attack me?

BOOM

What a target!

BOOM

BOOM

The king has been
all for over a decade.

Does she hope to
confound me by saying
such a thing?

**THE BLACK MIRAGE
BEASTS ARE GATHERING
TO THE EAST!**

I need to confirm whether
the king is the parasitoid's
primary body or not.

in order to predict
how it will strike next.

And if I really am...

Excellent

Chaos is
Darkness itself.

I've told you that
your ability to move things
will not work on me.

How annoying.

If you continue
to interfere,
I'll sever this girl's limbs,
one by one.

The humans
may not believe so,
but to the Alcorn,

a Ryzanor's safety is
of utmost importance.

"Ishtar Kuchard?"
What's the Marchioness
doing amidst the
Mirage Hearts?

And what's
with her eyes?

Ishtar
Fukunaga
Catherine.

did you really expect
to execute your coup
without opposition?

After the capital's collapse,

I attempted to monitor
the king's movements,

but my reconnaissance
yielded no results since
his retreat to Tifarang.

It's as if he perished...

You've resorted
to using black eye
Soures. Both you and
Fahad the First are way
past your prime.

Desperate, are you?

The reason your martial
authority has degraded

is due to your inability
to contract special grade
dragon artifacts without
relying on stimulants like
black eye, unlike before.

I can understand
why you came here—
smoking around like a rat.

What should I do?
Mr. Kuro doesn't seem
to be conscious.

Foolish child!
I've had enough of
your arrogance.

Imagi, take command
of the Black Mirage Beasts
and annihilate this
insurrectionist!

If I'm taken away now,
I probably won't be able
to help the others.

REANA FORTE!

I accept your conditions.
